

Design Exploration

Jean Wells

In the first class we will get acquainted with our curriculum and explore color in an exercise as well as work on a design challenge and I will demonstrate a piecing technique. You will have a homework assignment. Each time please bring your supplies and previous design exercises. Be prepared to talk about what your goals might be. Call me with any questions--549 5454 or 549 6061.

8 ½” x 11” blank page journal or notebook to put ideas in
glue stick, paper scissors, fine point and ultra fine point Sharpie pens,
mechanical pencil, eraser, colored pencils (at least 24 colors), 8 sheets of
tracing paper.

several pictures or advertisements from magazines, cards, or photos that
intrigue and inspire you
